

## AFFORDABLE HOUSING & SUSTAINABLE COMMUNITIES PROGRAM WORKSHOPS

You are invited to attend SGC's February 2016 workshops on the 2015-2016 Affordable Housing & Sustainable Communities (AHSC) Program. The workshops will be comprised of a presentation regarding the AHSC Program Guidelines and requirements for Concept Application, with a question and answer session after the presentation. The morning session will last from 9:00-11:30 AM.

Small group and one-on-one consultations with AHSC Program Staff will be available following the morning presentations, between 1:00-4:00 PM. The consultations will be 20 minutes in length and will be used to focus on projects that are ready to apply for the 2015-2016 AHSC Program, discuss project eligibility, and answer questions specific to the applicants' project.

Please register for workshops and consultations through the links below. For consultation times, AHSC Program Staff will follow-up to confirm the exact time of the appointment. **Consultations will be scheduled on a first-come first-served basis.** Applicants with projects in or benefitting Disadvantaged Communities (as defined by [CalEnviroScreen 2.0](#)) will be given priority for consultations. However, our goal is to provide consultations to all who request an appointment.
