Instructions for Providing Public Comment:

Public comment is an important part of every Task Force meeting. If you plan to comment on an agenda item or a matter not on the meeting agenda, please follow the instructions below.

To make remote public comments, you must connect (online or by phone) to the meeting using Zoom.

Use [this form](#) to indicate that you wish to provide public comment during the public meeting. Please complete all fields in the form and submit it up to 24 hours before, or any time during, the meeting.

If you are unable to access the form, please email LandEquity@sgc.ca.gov. When the public comment period opens for your item, the meeting chair or facilitator will call on you in the order your comment was received by SGC Staff.

Important Note: To be able to unmute your microphone when the meeting chair calls on you, Staff will need to locate you within the Zoom webinar. To make that possible:

- **If you are joining Zoom online**, please ensure your screen name matches the name on your comment card exactly by entering the correct name as you join the meeting. It will also be helpful to use the "raise hand" function in Zoom when called upon.
- **If you are joining Zoom by phone**, please ensure that the phone number you enter on your comment card matches the number you are calling from. It will be additionally helpful if you "raise your hand" when called upon by pressing *6 on your phone.

Timing of Comments:

Public comments will adhere to the length the meeting chair or facilitator announces during the meeting. The SGC staff will share a timer and ask speakers to end when their time is up.

Troubleshooting technical problems on Zoom:

Please use the Q&A function and Staff will respond. If you are participating by phone, please email LandEquity@sgc.ca.gov.

General Guidelines for Participation in Task Force Meetings:

All times are indicated, and the order of business is approximate and subject to change. Public comment is taken on each agenda item and at the end of the meeting. If you wish to speak, please fill out the provided comment card. Before making your comments, please state your name for the record and identify any group or organization you represent. The Chair or facilitator may establish specific presentation time limits depending on the number of individuals wishing to address the Task Force.
